

OUTDOOR LEARNING PATHWAYS – Gain 100 points by colouring activities you complete in your outdoor learning journal

<p>START HERE! Start an outdoor learning journal. Decorate the front cover and create a contents page you can add to.</p>	<p>Search for as many different leaves as possible. Make rubbings with coloured pencil or crayon and overlap to make an artwork. 10 points</p>	<p>Find 2 different areas of the garden where the soil is different. Take photos to add to your journal or describe how they are different. 10 points</p>	<p>Make a cutting from a succulent plant. Research how to make this into a new plant for the garden. 10 points</p>	<p>Make an amazing mandala from found objects. Take a photo. 10 points</p>	<p>Stay up later and look at the stars. Learn from an adult where to find the Southern Cross constellation. 10 points</p>	<p>Create a daisy chain at least 2m in length! 10 points</p>	<p>Ask an adult if you can help to weed the garden. Be sure to use gloves! 10 points</p>	<p>Find your favourite novel or picture book and read it under a tree. 10 points</p>	<p>Bird Watch! Find and draw a magpie! 10 points</p> 
<p>Bird Watch! Find a sulphur crested cockatoo and draw it in your journal 10 points</p> 	<p>Go on a minibeast hunt. Look for flies, bees, worms, slaters! 10 points</p>	<p>Build a cubby house under a tree or under the clothes line perhaps! 10 points</p>	<p>Find larger sticks in the yard and see if you can make your own kite from found resources. See if it will fly on a windy day! 10 points.</p>	<p>Take your sketch book outside and draw your backyard garden plan in bird's eye view. 10 points</p>	<p>Search for a spider web. Without going close, can you draw the pattern made in the web? 10 points</p>	<p>Take a page in your journal and write a story while you find a great place to sit outdoors. 10 points</p>	<p>Take a skipping rope outside and practice skipping tricks. Perform a skipping show for your family. 10 points</p>	<p>Make a Jenga tower from found twigs in the yard. Build as high as you can before it falls!10 points</p>	<p>'Egg' and spoon races! Maybe replace eggs with ping pong balls! 10 points</p>
<p>Play hide and seek outside with siblings or other family members. 10 points</p>	<p>Hold a long jump competition in your yard. Winner gets a treat! 10 points</p>	<p>Create your own obstacle course around the backyard. Show your family members and see if they can complete it. 10 points</p>	<p>Freeze dance! Have an adult play music and stop it randomly. Dance until the music ends, then freeze! 10 points</p>	<p>Bird Watch! Find a galah and draw it in your journal. 10 points</p> 	<p>Set up a tent in the backyard. Stay in it that night. 10 points</p>	<p>Create a fairy house somewhere in the backyard. Build furniture too. 10 points</p>	<p>Learn from an adult how to play hopscotch. You need a piece of chalk to draw your outline and a stone! 10 points</p>	<p>Trampoline tricks! Spend 10 minutes non-stop jumping. 10 points</p>	<p>Walk the dog with an adult. 10 points</p>
<p>Hang the clothes on the line with help 10 points</p>	<p>Make a bunch of different paper aeroplanes. Test them outside! 10 points</p>	<p>Find 8 sticks. Line them up like this: Run through the spaces in the sticks. Leader removes any stick after each round. Feet can't touch sticks. Gets hard! 10 points.</p>	<p>Pack your own picnic lunch for your family and eat it outside 10 points</p>	<p>Collect rocks to make a pet rock. Use paint, texta, goggly eyes, whatever you can find. Name it! 10 points</p>	<p>Hoola hoop. Move your hips! If you have a hoola hoop, practice spinning up to 100 turns. Wow. 10 points</p>	<p>Take your sketch book outside and draw a flower you see. 10 points</p>	<p>Have an adult help you find the 'saucepan' constellation 10 points</p>	<p>Play with a Frisbee with a family member, or your dog. 10 points</p>	<p>Create a dance to your favourite song that you can perform for your family outdoors. 10 points</p>
