Visiting school to ensure one staff member has completed e-APMAS and to nominate one person for the task. DEEC staff needs to be informed pre-visit of any health or behavioural conditions or concerns and the documented management strategies.... Plans for management of these crises off-site are negotiated and plans established. Medication / auto-injectors collected and managed by designated officer. Recording sheets available for: i). First Aid injuries ii). Medications administered. All DEEC staff are trained on safe walking protocols and specific site familiarity. | | |
| Activity/program Please list | Potential risks List hazards/risks related to each activity/program and the venue | Control Strategies Outline strategies for ensuring visitor safety for this potential risk | |
| Arrival / Recess / Lunch / Departure | Vehicle accident | School Staff issue clear and concise instructions on bus and carpark safety and with the support of participating teachers, ensure these instructions are followed. Ensure that the road is out of bounds. | |
| Rock Platform | Slipping on rocks, twist ankle, grazing etc | Students are informed to kick sand off shoes when walking on rocks DEEC staff will inform students that they must walk (no running) and must stay behind the lead, and with the support of participating teachers, ensure these instructions are followed. | |
| Rock Platform - Organisms | Stings and bites Students washing into ocean | Students are warned of any potentially dangerous animals. DEEC EEC staff are first aid trained and carry a first aid kit. It is essential that a minimum of 2 senior first aid trained teachers (including 1 DEEC EEC staff member) supervise this activity. The supervising teachers must wear fluoro vests for identification purposes. DEEC staff will set boundaries and with the assistance of the school staff will monitor the movement of the children. The school students will be reminded to watch the ocean at all times. This activity will be cancelled if seas are dangerously rough. Spare clothes will be provided. | |
| Rock Platform - Study of Headland and Rocks | Students picking up large rocks during rock hunt and dropping on feet | Students will be told not to pick up rocks larger than the size of their hands. | |
| Flotsam and Jetsam | Students picking up needles, cigarette butts and other dangerous items | Students will be told not to pick up dangerous items. Students will not be allowed to take off shoes. | |
| Dune Care, Tree Planting | Students injuring themselves with equipment (Shovels) Snakes | Students directed to wear covered shoes and carry equipment upright. Students to work in groups of three in designated spaced apart area. Dune care volunteers help supervise students Students told to stay with group and not wonder off. - See strategies for managing bites and stings below | |

| | | |
|--------------------|--|---|
| Various activities | Exhaustion, dehydration, exposure | Excursion to be postponed in extreme weather conditions. Ensure food is kept in shade if possible. DEEC staff will continually monitor the conditions of students. The School must ensure that students bring water bottles and wear sunscreen and appropriate clothing (raincoats, hats and sturdy footwear). DEEC EEC staff carry some spare clothing and a towel. DEEC EEC staff hold current first aid training and carry a fully maintained first aid kit. |
| Various activities | Known medical conditions (severe allergies, diabetes, asthma) | Visiting teachers will provide DEEC staff with a completed 'Participant Safety Notification' form. Visiting teachers must ensure students carry and take own medication and are responsible for monitoring these students. |
| Various activities | Physical Injury – Bites / stings, mild allergies, cuts, sprains, broken limbs (from falling on slippery rocks) | The School must ensure appropriate clothing and sturdy covered footwear is worn. DEEC staff will issue clear and concise instructions on safety and, with the support of participating teachers, ensure these instructions are followed. DEEC staff hold current First Aid Training and carry a fully maintained first aid kit. DEEC staff also carry a mobile phone and emergency contact numbers. |
| Various activities | Being separated from group | DEEC staff and visiting teachers will continually monitor student movement. When moving between activities, DEEC staff will lead the students and supervise those students at the front of the group. A visiting teacher must be at the rear of the group and supervise accordingly. |
